

Grand Petroleum is one of the fastest-growing companies in the middle east's downstream petroleum products which has been established in 2022, based in Dubai. This brand is the newest member of a global chain of companies that are registered in different countries around the world focusing on Steel production, bitumen manufacturing, and general international trading for more than 25 years. Owing to sufficient financial resources, private factories, and transport facilities, GRAND PETROLEUM is one of the most reliable suppliers in the region. We are providing our clients with guaranteed quality Bitumen, Fuel Oil, Base Oil, RPO, and petrochemical products in different packings located in Tehran and Tabriz, our factories are able to produce more than 600.000 MT of Bitumen annually. Our plants include 25.000 MT storage tanks and packing sites (Drum and Jumbo Bag) that allow us to provide our customers with different shapes and grades (Penetration Grades, Viscosity Grades, etc. Combination of the above facilities with the exclusive international logistics system has improved Grand Petroleum to find its position in the market as an influential and trustable supplier.
